Scheid Friday Night Series & Diesel Tune-Up!

It's test and tune, grudge racing, and the Scheid Friday Night Series. It's your chance to see what your diesel can do in an 1/8 mile and you could win a cool Trophy and a gift card to Scheid Diesel. The cost is only \$15 (in addition to admission to the event) per Tech Card. A Tech Card is good for one person and one vehicle combination. Your vehicle must pass Tech Inspection before getting on the track. Come on out and enjoy the fun and excitement. Unlimited runs during the session. Eliminations begin after 8 PM.

Consumption of alcohol by drivers is prohibited during or prior to the event. If alcohol consumption is suspected, driver privileges will be revoked and, if in eliminations, driver will be disqualified for the day. No refunds.

Sunday

Gates open 10:00 AM

Time Runs at 11:00 AM

Eliminations start 1:00 PM

Burnout Competition

Secure Track 6:00 PM

Saturday - Eliminations and Qualifications

Back by popular demand—It's Semi-Tractor Drag Racing!! You saw it last year and that was AWESOME! There will also be diesel ET Brackets and two Index classes; a 7.70 and new for this year, an incredible 6.70 class. **Pro Street, Pro Mod, and Pro Dragsters will be qualifying** for Sunday's main event. Catch the action as diesels spool up the turbo, hit the nitrous, and make a "little" smoke while trying to grab hold of the concrete and wrinkle the asphalt as they thunder down the 1/8th mile.

Sunday - Main Event

You've waited all year for this! It's diesel drag racing action like no other. The ET Bracket and Index classes compete again along with the Pro's on the famed 1/8th mile. Pulling trucks may be great but 5,000 lb vehicles accelerating to 140+ MPH in 660' leaving trails of billowing black smoke is incredible. It's an afternoon of drag racing action brought to you by TS Performance and a smoky **BURNOUT Contest** sponsored by Superchips.
